94 pts

Exceptional
Cellar Selection

Garnet color. Aromas and flavors of persimmon, licorice, tart red cherry, and fig with a satiny, dry medium body and a tingling, involved, medium-long finish displaying impressions of strawberry cherry balsamic, alpine herbs, pickled tomato, and shoe leather with well-integrated tannins and a suggestion of oak flavor. A delicate, elegant and very good drinker now that will benefit from decanting and with cellar time should further integrate.
