Best Buy

Yellow straw color. Aromas and flavors of honeydew melon, honey drizzled pear, white flowers and papaya, and tangerine with a glycerous, lively, effervescent, off-dry medium-to-full body and an engaging, medium-long finish with accents of green melon, white flowers, wild flower honey, and peaches and pears. Ripe fruit and a sweet finish make this an easy wine to share instead of dessert; approachable and with a level of depth and complexity behind the sugar that will appeal to lovers of sophisticated bubbles.
