“Emerald straw color. Aromas and flavors of sliced apples, under ripe nectarine, gravel, raw pistachio, and custard with a supple, crisp, effervescent, dryish light body and a silky, captivating, carefree freshly peeled orange finish. This is a showstopper example of the heights that DOCG Prosecco can reach, showing off a serious and dry palate to complement its natural fruity qualities, and a finish that goes on for days.”

BTI October 2018
