

VILLA PUCCINI

VERMENTINO I.G.T.

Area of Production: Toscana

Varietal: 100% Vermentino

Alcohol: 12%

Wine Notes: Straw yellow color with greenish reflections. Intense bouquet of white flowers, elegant with pleasant notes of peach and herbs. Full and balanced by the mineral notes.

Wine Making Technique: This wine is made with Vermentino grapes from vineyards in Tuscany. Harvest is carried out when perfect maturation is achieved. Grapes are then pressed and fermented at low temperatures to obtain a wine with a strong personality. Afterwards, the wine does not undertake any further aging in order to keep its characteristic freshness and flowery notes. The last step is tangential filtration prior bottling.

Recommended Pairings: Ideal with white meats, fish appetizers and risotto with artichokes. Serve chilled.
