### Barolo 2010

**“Year’s Best Barolo”**

“... An effortless wine. Its purity rings clear in scents of forest berries, red fruit and ironbound tannins – a remarkable amount of tannins for a wine to carry while still managing a sunny glow. It comes off as firm yet transparent enough to taste the earthiness in the wine, equal in clarity to the fruit. This feels like it will thrive for years in the bottle.”

**Wine&Spirits** December 2014
