The 2019 Valdobbiadene Prosecco Superiore Vecchie Viti Brut keeps you coming back to the glass, as it slowly blossoms with a pretty display of white peach, mint leaf, sage, smoke and hints of rich almonds. There's a weighty feel on the palate, as silken bubbles glide across a vibrant core of juicy acids, which not only energizes but also adds lift. Pretty inner florals come forward, lasting through the finale, along with notes of citrus-tinged apple and sweet spices. Take your time with the 2019 Vecchie Viti, because it only gets better the longer it spends in the glass.
