2017 Moscato d'Asti

92 pts

Monica Lerner

“The 2017 Moscato d’Asti is especially bright and fruity in this extremely hot and dry vintage. You feel that extra concentration of fruit with summer peach, honeysuckle, star jasmine and yellow rose. Moscato d’Asti traditionally offers a foamy and creamy bubble quality, and you get that here in generous supply. The creaminess of the mouthfeel plus that sweet residual sugar find excellent balance. The alcohol is 6%. ***This is a leading wine of the appellation.*** Moscato d’Asti is best when consumed immediately, but you could push this wine a few years more.”
