## Pinot Noir 2013

"I loved the 2013 Piemonte Pinot Noir. This is a fragrant and articulate wine that puts a high priority on freshness and varietal purity. The bouquet delivers vibrant aromas of wild berry, blue violet and candied cherry. The aromas are crisp and absolutely pristine. It's worth mentioning the cooling menthol notes that wholly complete this very pretty picture. I would suggest a near-term drinking window just because the wine's inner energy is so irresistible now."
