## Vinous

“Pale straw-green. Lovely nose of green apple, minerals, and white flowers. Fresh and clean, with juicy nectarine, stony and white flower flavors. This is unbelievably deeper, more complex and richer than the vast majority of Extra Dry Proseccos being made nowadays (14g/L residual sugar in this vintage, slightly less than this wine’s more usual 17g/L residual sugar, but Isabella prefers it this way and plans to leave it so in future vintages as well).”
